Thank you, Philip. I will be back in the office on Tuesday. Perhaps we can meet on Wednesday if your schedule permits.

Lynn,

I talked to David Lee (finance officer) in Cleveland. He shared with me a lot of history related to this issue. He also sent me the documentation presented to the local board to address the specific issues outlined by the Board member that called you. I do not have my notes at home so I will send you a complete report tomorrow.

Once you review my notes and the material David sent us, we will get together and discuss next steps. I will send everything tomorrow.

Philip

Philip and Ben,

This is a quick follow-up from our meeting last Friday afternoon concerning a directive from the Office of Inspector General to investigate a School Nutrition Director. I have received a voice message from a member of this district's BOE. I think you should hear the message. Please let me know when you might be available to come by my cube for a moment. If I am not in the area, David Mills can access the message for you.

Thank you...just want to keep you informed.

Lynn
