As a **free, optional part of Gaggle Safety Management,** this tool examines web search queries on a multitude of search engine platforms. Student searches that indicate potential crises are reviewed by the Gaggle Safety Team, triaged, and sent to you just like other Gaggle alerts.

MORE INFORMATION

Find Guns <u>BEFORE</u> They Get To Your Schools

Gun

The new Gun Detection model has found a total of 900 images of real guns and/or ammunition from July 24, 2022 through December 31, 2022. Of the 900, 51 were PSSs (imminent threats to student safety). This service is part of Gaggle Safety Management and is **free to all our customers.**
DETECT & PREVENT SCHOOL VIOLENCE

Student Information System + Gaggle

SIS

Saving minutes saves lives! Gaggle's SIS integration feature allows alerts to include critical contact information, reducing the time it takes to respond during a crisis. Gaggle integrates with Aeries, InfiniteCampus, PowerSchool, Focus, Skyward, and now both Synergy and Q (Aquitas), sharing only information necessary to keep students safe. Gaggle also integrates with ClassLink to allow for single sign-on.
