## Register Now for Second Step® Webinars

Attend our live webinars and connect with experts to learn how Second Step® programs can help you create a safe and supportive school community with **social-emotional skills, bullying prevention, and child protection. Webinar offerings include professional development for current Second Step® educators to support program implementation.**

If you're unable to attend the live event, please still register to receive our recorded on-demand version.

### Specialty Topics

Kids raising hands in classroom

#### School Counselor Strategies: Enhancing Coping Skills for Tough Times

For many people, the past couple of years have included immense change. In this webinar, 2023 ASCA School Counselor of the Year Meredith Draughn and School Counseling Consultant Cynthia Floyd will discuss some implications of these changes for students and schools and share effective practices school counselors can use to help students navigate challenging times.

Next session:

Thursday, February 16, 2023

3: 30 p.m. Eastern time

### **Making Connections, Building Partnerships, and Finding Funding**

This webinar is designed to help district leaders who are looking to expand their social-emotional learning and related initiatives in a holistic, supported way. A panel of educational leaders will discuss how they find solutions for their districts' needs, build partnerships, and secure funding to support their work.
